Construction Corner Updates

Renovations are well underway at our new Martin Luther School campus, located just one mile from our current site. The transformed campus will feature 30+ bright classrooms, counseling offices, two lunchrooms, a library, black-box theater, multipurpose gym, and inviting outdoor learning and recreation spaces. Plans also include a two-story addition for electives, athletics, and the arts, plus a future outdoor sports complex with a track and multi-sport turf field. We're on track for a summer 2026 move and a September 2026 opening—more exciting updates coming soon!
